Please describe your professional goals as they relate to financial psychology (attach additional pages as needed):

Certified Financial Behavior Specialist™ (FBS®)

1. Please see [Financial Psychology Institute](#) for requirements.
2. If you have met the requirements for certification*, please send the following:
 - a. Curriculum vitae/resume, highlighting your formal studies in financial planning, financial psychology, behavioral finance, mental health, etc.
 - b. Copy of college/university transcripts.
 - c. Detailed descriptions of other financial psychology-related professional trainings completed, including copies of certificates of completion, contact hours, name of trainers, sites, topics, etc.
 - d. A listing of your applicable professional memberships, activities, and publications.
 - e. Details of related professional work experience (if not described in your curriculum vitae/resume).
 - f. Two letters of recommendation from professionals familiar with financial psychology or financial therapy, and who are also familiar with your work.
3. Send your materials to: Brenda@financialpsychologyinstitute.com.

*Based on a review of your application materials, the FPI may take one of the following actions:
a) award the certification, or b) develop an individualized action plan to help the applicant meet the requirements of certification
